Krystal System press kit

- "...Absolutely no-compromise and just awesome..." (Germany)

Review of Rage on [Amboss magazine](#)

- "... The album sounds like a million bucks..." (USA)

Review of Rage on Auxiliary magazine [Read page 32-33](#)

"...There's no excuse for not owning a copy of Rage. None..."

- "...If your friends don't like it, they're not your friends..." (USA)

Fresh review of Rage on [Philadelphie City Paper page 19](#)

"...The enfants terribles of European industrial mold a record that is as energizing as it is mature.

...A package of undiluted brilliance – do not miss it! " (USA)

Stars: 4.5/5

Fresh review of Rage on [Regen mag](#)

"... Krystal System : La vanguardia del electro-rock viene de Paris ... " (Spain)

Review of Rage on [Horror Decibel](#)

- "... pretty fucking great... wonderful French femme fatale that delivers these wonderful vocals..." (Sweden)

Review of Rage on [Brutal resonance](#)

- "...Warning: highly addictive..."

"...This is one smacker of an album for anyone with a preference for well-written music!..."

"...A perfect blend of electric and electronic..." (Belgium)

Review of Rage on [Concrete web](#)

- "... A truly excellent album..." (Italie)

Review of Rage on [Metallus](#)

- "...Pure power accomplished by pure contemporary punks! They don't repeat themselves, but sound like raping, hitting and terrorizing anything that crosses their path. " (Belgium)

Review of Rage on [Side-line](#)

**- "...I would like to thank France for giving us Krystal System.
It wouldn't surprise me to hear Nuclear out at the clubs, it's the perfect
album to blast at full volume with your air guitar in hand running around the
house without a care in the world..." (USA)**

(review of Nuclear on [Auxiliary magazine](#), page 22, Aug-Sept 2011)

**- "...a dazzling inventiveness.... These fascinating tracks will accompany us
right to the dead end." (Poland)**

Nuclear review on [AlterNation](#)

"...Krystal System is the new Alfa Matrix label's jewel ... " (Germany)

(translated from the German Gothic Magazine)

**"...This French duo haling from Paris can be easily considered as one of the
hottest revelations and new-coming bands..." (Belgium)**

(Side-Line)

"...A succession of hits each more exciting than each other ... " (France)

(translated from the french Webzine [Verdammnis](#))

**"...An absolute fragmentation bomb... This album is made out of thirteen
jewels ... " (France)**

(Review of Underground translated from the french Webzine Obskur)

**"...All in all, "Underground" is an expertly crafted and spotlessly produced
selection of pounding beats, awesome synth lines, kickass guitar, and
amazing vocals..." (U.K.)**

(Webzine <http://www.chaindlk.com/reviews/?id=4928>)

**- "...Nuclear charme par ses mélodies accrocheuses, par ses riffs secs et
s'avère, tout comme Underground, furieusement indispensable. Il est encore
plus réussi que son prédécesseur..." (France)**

(Chronique de "Nuclear" sur [D-Side web](#))

**"...Underground is a bomb that brings Krystal System at the top of the french
dark electro..." (France)**

(translated from the french D-Side paper magazine)
